## Local actor featured in “Muppets”

Jan 26, 2011 [1](#)

Robert Leaman Sanders of Malibu will be featured in Disney's “The Muppets,” out later this year. Sanders plays the role of Mad Man Moony in the film. “The wardrobe department on the movie set had me wear the late great comedian Milton Berle's cowboy outfit originally seen in the first Muppet movie of years past ... A great fun time in the sun was had by all,” said Sanders.
